Electric Motors	24 months from startup or 30 months from date of shipment from Company, whichever occurs first	For nonstandard motors, the original manufacturer’s warranty will take precedence
Gasoline & Diesel Engines	Warranted by engine manufacture to the extent of their warranty terms and conditions	For nonstandard engines, the original manufacturer’s warranty will take precedence
Air Receivers	24 months from startup or 30 months from date of shipment from Company, whichever occurs first	Must be installed properly with Company vibration isolators
Dryers	24 months from startup or 30 months from date of shipment from Company, whichever occurs first	Applies to dryers purchased as part of the AirStation package (R-Series only)
Labor	<p><b>Package/Electric Motor/Air Receivers:</b> 24 months from startup or 30 months from date of shipment from Company, whichever occurs first</p> <p><b>Pump (Package):</b> 72 months from startup or 78 months from date of shipment from Company, whichever occurs first</p>	Service will be provided by Company representative or authorized service personnel, for repair or replacement of any product or part which in the Company’s sole judgement is proved not to be as warranted. Labor shall be limited to the amount specified in the Company’s labor rate schedule. All costs of transportation of product, parts, and repaired or replacement parts claimed not to be as warranted to and from such service facilities shall be borne by the Purchaser. The Company may require the return of any part claimed not to be as warranted to one of its facilities as designated by Company, to establish a claim under this warranty (Return freight eligible for consideration for reimbursement). Replacement Parts provided under the terms of the warranty are warranted for the remainder of the original warranty period.

#### PREMIUM EXTENDED WARRANTY REQUIREMENTS:

- The appropriate Premium Warranty Kit must be purchased at the same time as the compressor package from an authorized Gardner Denver account. This warranty kit will include all the Gardner Denver OEM filters and oil needed for 6 oil and filter changes. (Duplex machines would require two kits, one for each pump.)
- The Premium Warranty Registration must be submitted to Gardner Denver within 30 days of the compressor package start-up date. To complete the registration go to <https://www.gardnerdenver.com/en/gdproducts>, go to Low Pressure Reciprocating Products, click on Premium Extended Warranty Registration to fill out the required information.
  - Failure to accurately and completely fill out the registration will void the Premium Warranty.
- Maintenance should be performed in accordance with the service manual and at a minimum per the chart outlined below. Frequency of oil and filter change can be dependent upon ambient operating conditions and duty cycle, adherence to installation and operating requirements outlined in the manual should be followed.

Component	Change Interval
Oil	Every 12 months <sup>1</sup>
Air Filter	Every 12 months
Oil Filter (PL Only)	Every 12 months

## COMPRESSOR PRODUCTS

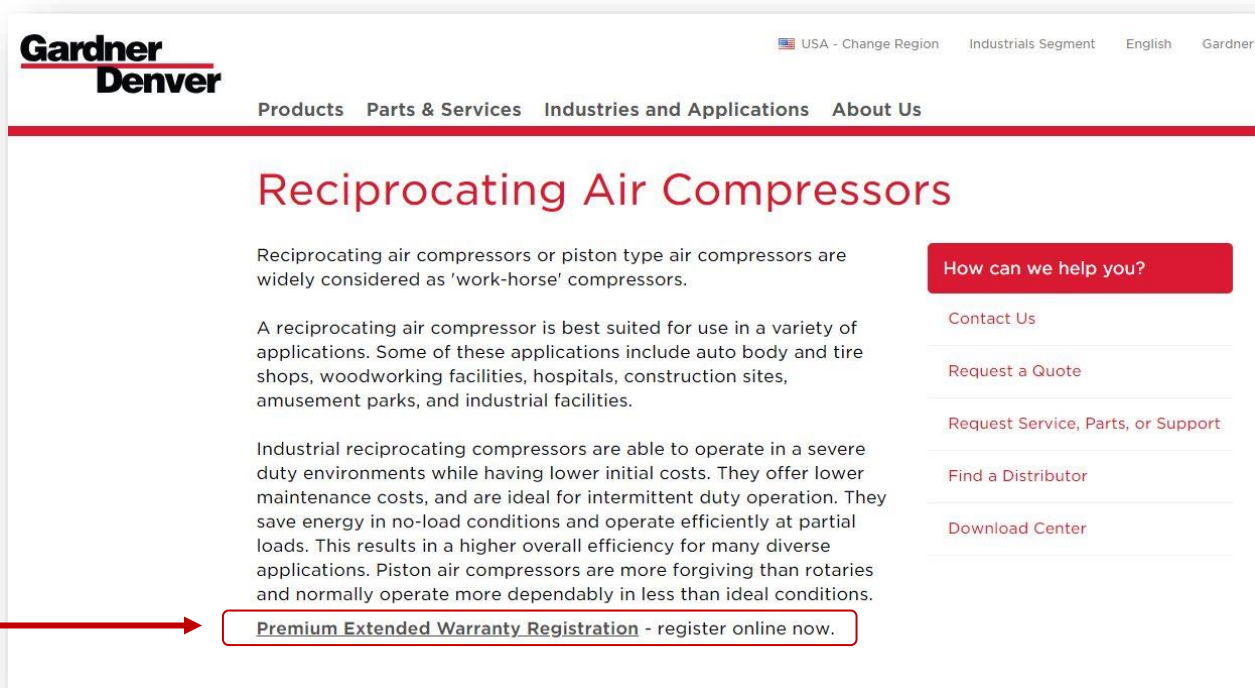

- Compressor is shipped with standard AEON, to ensure proper break-in period, oil should be changed after 100 hours of run time. After break-in the pump should be converted to AEON Synthetic.
- The use of approved Gardner Denver lubricants is required. For warranty, the following lubricants are the only approved oil: **AEON Synthetic, AEON Synthetic FG**
- A log of all maintenance and general repairs performed must be maintained with the corresponding dates. This includes the following changes: air filter, oil filter, and lubricant.
